PRIN	ICIPLE 1 – LAY SOLID FOUNDATIONS FO	R MANAGEMENT	AND OVERSIGHT
1.1	 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management. 	Complies	The Company has established a Board Charter, which discloses the specific responsibilities of the Board and those of senior executives. The Board delegates responsibility for the day-to-day operations and administration of the Company to Management. The Company's Board Charter is posted on the Company's website.
1.2	A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re- elect a director.	Complies	The Chairman and Chief Executive Officer are responsible for ensuring that appropriate checks (including work experience, education, criminal record, character reference and bankruptcy history) are undertaken before a director candidate is appointed or put forward to security holders for election. All material information in the Company's possession relevant to a decision on whether or not to elect or reelect a director is provided to security holders in the notice of the meeting at which the director is to be put forward for election or re-election.

1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Complies	Directors and senior executives have in place written agreements with the Company setting out the terms of their appointment.
1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	Complies	The Company Secretary reports directly to the Chairman. The decision to appoint or remove the Company Secretary is made by the Board.

- 1.5 A listed entity should:
 - (a) have and disclose a diversity policy;
 - (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and
 - (c) disclose in relation to each reporting period:
 - the measurable set for that period to achieve gender diversity;
 - (2) the entity's progress towards achieving those objectives; and
 - (3) either:
 - (A) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or
 - (B) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.

If the entity was in the S&P / ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors

The Company has a diversity policy which is published on its website.

The Board currently comprises 4 male directors and 1 female director.

Although the Company is a constituent of the S&P/ASX 300 it does not yet meet the 30% gender representation goal, it intends to address this by seeking to appoint a female director whenever a Board vacancy arises, until at least 30% representation from each gender is achieved.

As at 30 June 2025, 75% of the Company's employees were female and its Board was comprised of five directors with four male directors and one female directors.

As at 30 June 2025, 50% of the Company's senior executives were female, being 5 out of a total of 10 senior executives. "Senior executive" is defined for these purposes as those employees who report directly to the CEO or who report to a direct report to the CEO and oversee their department's operations, including planning, organizing, staffing, and directing the work of other employees within their department.

Complies	independent judgement, and to review and constructively challenge the performance and recommendations of management. The Chair is an independent non-executive director and the roles of Chairman and Chief Executive Officer are not exercised by the same individual.
2.6	A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.	Complies	New directors undergo an induction process in which they are given a full briefing on the Company and the Company is committed to continuing development of its Directors and executives. For details on the induction of new directors and the objectives of the Company for continuing development of directors, please refer to the Board Charter.

4.2	The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.	Complies	The Board receives this assurance from the Chief Executive Officer and the person who performs the Chief Financial Officer function for each of the Full Year, Half Year and Quarterly reporting periods.
4.3	A listed entity should disclose its process to verify the integrity of any periodic corporate report it releases to the market that is not audited or reviewed by an external auditor.	Complies	The Audit & Risk Committee works in collaboration with the Disclosure Committee (established under the Company's Continuous Disclosure and Public Communications Policy) in reviewing all periodic reports before they are submitted to the Board and then the market. The Audit & Risk Committee ensures that: • members of management with relevant subject matter expertise are consulted on the content of such reports as appropriate; and • The content of the reports is verified as being based on first- hand knowledge of relevant subject matter experts or supported by other evidence.

7.2	The board or a committee of the board should: (a) review the entity's risk management framework at least annually to satisfy itself that it continues to be sound and that the entity is operating with due regard to the risk appetite set by the board; and (b) disclose, in relation to each reporting period, whether such a review has taken place.	Complies	The Board is responsible for satisfying itself annually, or more frequently as required, that management has developed and implemented a sound system of risk management and internal control. Detailed work, particularly in respect of reviewing the Company's internal controls and its financial reporting and external audit processes, is delegated to the Audit & Risk Committee and reviewed by the full board. The Audit & Risk Committee is responsible for ensuring there are adequate policies in relation to risk management, compliance and internal control systems and that the Company is operating with due regard to the risk appetite set by the Board. It monitors the Company's risk management by overseeing management, monitoring and reporting of material operational, financial, compliance and strategic risks. The Committee has undertaken a review of the entity's risk management framework and operation in accordance with the risk appetite set by the Board, as recommended in 7.2(a), for the financial year ended 30 June 2025.

Recommendation			
7.3	A listed entity should disclose: (a) if it has an internal audit function, how the function is structured and what role it performs; or (b) if it does not have an internal audit function, that fact and the processes it employs for evaluating and continually improving the effectiveness of its governance, risk management and internal control processes.	Does Not Comply	At present the Company does not have an Internal Audit Function as recommended by the ASX Corporate Governance Council's Principles and Recommendations. The Board is of the view that the Company is not of a size or complexity that would require a formal internal audit function. At present the Company, through its Risk and Audit Committee and under the Board's oversight, undertakes periodic reviews of its system of risk management and internal control and seeks the advice and recommendations of its external auditor in relation to its system of financial control and compliance.

7.4	A listed entity should disclose whether
	it has any material exposure to
	A listed entity should disclose whether it has any material exposure to environmental or social risks and, if it
	does, how it manages or intends to manage those risks.
	manage those risks.

Complies

Any material exposure to economic risk is disclosed in the Annual Report of the Company.

The Company manages its exposure to economic risk by having a sound system of control and accountability systems to ensure the Company is progressing towards goals set by the board. These controls are reviewed annually with the input of the Company's auditors.

The Audit Risk & Compliance Committee is responsible for reviewing at least annually the effectiveness of Company's risk management and internal control systems and make relevant recommendations to the Board. In discharging its duties, the Committee has unrestricted access to all staff and to the Company's auditors, both internal and external, to seek information and explanations from them. The Committee proactively makes recommendations to the Board in relation to the outputs of the financial reporting and disclosure processes and with respect to risk management and internal control.

The Board retains the overall Risk Management function. The Board is of the view that:

- the Company does not have any material exposure to environmental risk. As it is not at the stage of commercial manufacture, its activities are unlikely to adversely affect the natural environment and are not materially affected by adverse environmental events.
- the Company does not have any material exposure to social

PRIN	ICIPLE 8 – REMUNERATE FAIRLY AND RES	PONSIBLY	
8.1	The board of a listed entity should: (a) have a remuneration committee which: (1) has at least three members, a majority of whom are independent directors; and (2) is chaired by an independent director, and disclose: (3) the charter of the committee; (4) the members of the committee; and (5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or (b) if it does not have a remuneration committee, disclose that fact and the processes it employs for setting the level and composition of remuneration for directors and senior executives and ensuring that such remuneration is appropriate and not excessive.	Complies	The membership of the Remuneration Committee is comprised of three Non- Executive Directors who are all independent directors. The Chairman of the Remuneration Committee is an Independent Non-Executive Director. The details of the members of the committee are disclosed in Directors' Report. Please refer to Attachment B of the Board Charter for a copy of the Remuneration Committee Charter and to the Annual Report for details on meetings held and the attendances of the respective Committee members.
8.2	A listed entity should separately disclose its policies and practices regarding the remuneration of non-executive directors and the remuneration of executive directors and other senior executives.	Complies	Please refer to the Remuneration Report in the Annual Report and to the Senior Executive Remuneration Policy included as Attachment E to the Board Charter.

8.3	A listed entity which has an equity-based remuneration scheme should: (a) have a policy on whether participants are permitted to enter into transactions (whether through the use of derivatives or otherwise) which limit the economic risk of participating in the scheme; and (b) disclose that policy or a summary of it.	Complies	Executive directors and other senior executives receive equity-based remuneration as part of their compensation. Non-executive directors may choose to receive equity-based remuneration instead of receiving directors' fees in cash, for a portion of their fees as elected by each director. Currently the equity-based remuneration is in the form of performance rights, which may be subject to deferred vesting under the terms of each person's contract. Please refer to Attachment D to the Board Charter which provides under the subheading "Anti hedging Policy" that Restricted Persons are not permitted to enter into transactions with securities (or any derivative thereof) in associated products which limit the economic risk of any unvested entitlements under any equity-based remuneration schemes offered by the Company.
